Biology BS

BIOLOGY MAJOR, BS

download pdf

I. Biology Core

_____Bio 111 or 101 (with grade of C-)
_____Bio 112 (with grade of C-)
_____Bio 211
_____Bio 212

II. Six additional courses, at least one from the following three categories:

_____Cellular/Molecular (200, 215, 230, 235 or 335, 251, 320, 332, 334, 340, 351)
_____Organismal (202, 204, 217, 218, 223, 224, 227, 228)
_____Population/Community (205 [or ES 211], 225, 240, 306, 307,314, 316, 361, 390, ES 350)

General Electives: Cannot receive credit for both ES 211 and Bio 205

_____
_____
_____

(Five courses if student completes two years of chemistry, one year of physics and one course in mathematics)

III. Cognate department courses:

_____Chem 107 or Chem 105

_____Chem 108

_____A Mathematics course or combination: Math (105-106), 107, 111, 112, Psych 205 or Bio 260 (unless used to complete Biology course requirement)

_____Two from the following: Chem 203, 204, CS 107 or 111, ES 223, Phy 103, 109 or 111, 104, Phy 110 or 112, Psych 236, 237, 238

IV.

_____ Bio 307, 314, 320, 334, 340, 351, 460, 461 or other capstone experience as determined by the department

The capstone course counts as one of the additional Biology courses.

Total courses required: __15 (10 in Biology)___
