WHAT TO SAY ON YOUR VIDEO:

Show us who you are and why you would be perfect for “The Intern.” Show us what separates you from all the others. WOW us, but keep in mind where you might be working. What are some of the traits and skills that you possess that would be perfect for one of these organizations? Hint: Do your homework!!!!

If your video is selected, you will be asked to meet with the selection committee in early December. Interns will be notified in January of their placements. *Final decisions will be made by the internship hosts, so a positive response from the selection committee does not guarantee an internship.*
