Long term care insurance may help you avoid a far more difficult decision: whether to exhaust your savings or liquidate your assets to pay for a period of long term care. This policy may help you be prepared for the financial realities and help you maintain control of some important decisions, such as:

- Who would take care of me?
- Where can I choose to receive care?
- Would I be a burden on my children if my savings couldn’t cover my care?

Who controls your future?
Be prepared with long term care insurance from Unum.

Your life, your choice
There are plenty of decisions to make for retirement...

- Fishing or golf?
- Motor home or long-awaited cruise?
- A house at the beach — or close to the grandchildren?

Long term care insurance may help you avoid a far more difficult decision: whether to exhaust your savings or liquidate your assets to pay for a period of long term care. This policy may help you be prepared for the financial realities and help you maintain control of some important decisions, such as:

What is long term care?
Whether it’s due to a motorcycle accident or a serious illness, it is the type of care you may need if you couldn’t independently perform the basic activities of daily living: bathing, dressing, using the toilet, transferring from one location to another, continence and eating, or if you suffered severe cognitive impairment from a condition such as Alzheimer’s disease.

Who’s at risk?
Long term care insurance is not just for the elderly.

- 40% of people currently receiving long term care are working-age adults 18 to 64 years old.¹
- About 70% of individuals over age 65 will require some type of long term care services during their lifetime.²
- By 2020, 12 million people are projected to need long term care.³

How does this coverage help?
Here are some examples of how you may use a long term care benefit of $3,000 per month, based on the national averages for care:⁴

### Home health:
- Long term care annual benefit: $36,000
- Home health aide ($18.50/hour): $24,050/year*[5]
- Left over for out-of-pocket expenses: $11,950

### Assisted living:
- Long term care annual benefit: $36,000
- Assisted living ($2,825.25/month): $33,903/year
- Left over for out-of-pocket expenses: $2,097

### Private nursing home:
- Long term care annual benefit: $36,000
- Private nursing home ($203.31/day): $74,208.15/year
- The cost of care that you will pay out of pocket: -$38,208.15

*Based on receiving care five hours a day, five days a week at $18.50 per hour. For illustrative purposes only.

Won’t my other insurance pay for long term care?
Unfortunately, no.

- Medical insurance and Medicare are designed to pay for specific care for acute conditions — not for long term help with daily living.
- Medicaid only helps with long term care expenses after you have depleted virtually all of your assets. The exact amount varies by state but usually leaves just a few thousand dollars in total assets.

Only long term care insurance may cover those costs and allow you to maintain as much of your assets as possible.

Do I need to be in a nursing home to use my LTC insurance?
All Unum plans include a home health option. This allows you to use your benefit to pay for an aide to come to your home, so you can remain in your residence as long as possible. For an extra premium, some plans allow you to pay a family member or friend to take care of you.

Why buy now?
People often buy long term care insurance at an early age, because the younger you are, the more affordable the rates.
In fact, 63% of the people who buy group LTC insurance are under age 55.5

Why buy coverage at work?
1. You may get more affordable rates when you buy this coverage through your employer and you may extend your coverage to your parents and spouse.
2. Depending on your plan, you may be able to pay your premiums through convenient payroll deduction.
3. Your employer has selected coverage from Unum, the leading provider of group LTC insurance for employees in the U.S.6

Additional help for caregivers
Even if you don’t need long term care in the immediate future, you may be a caregiver for someone you love. Your plan includes LTC Connect® service, which gives you access to counselors who can help you find long term care providers in your area, a support group, or other assistance you may need. This service also provides discounts for medical equipment such as walkers, hearing aids, wheelchairs, and other related needs.

6 LIMRA, 2008 Group LTC Report, 2009. Based on inforce cases. Excluding federal and California-specific Group LTC plans, Unum also ranks first in number of employees enrolled.
Nursing home care based on 24-hour care for one year.
Assisted living based on 12 months care. Home care based on five hours of care per day, five days per week for Non-Medicaid Certified home health aide services.

**Elimination Period:** Your plan's Elimination Period of 90 consecutive days is the amount of time you must wait before benefits become payable. This time period must be satisfied only once during the life of your plan.

**Newly Hired Employees** – once eligible for the plan, you will have 30 days to sign up for Guarantee Issue coverage. Please check with your employer for your effective date.

**Medical Underwriting Effective Date** – The effective date for those applicants passing medical underwriting between the 1st and 15th of the month is the first of the month following their date of approval. For those approved between the 16th and the end of the month, their effective date is the first of the second month following their date of approval.

*Medical Underwriting means that you must answer all questions on a medical questionnaire. In some cases, an interview may also be necessary.*

**Delayed Effective Date** – If you are absent from work because you are injured, sick, temporarily laid off or on a leave of absence, your coverage will not begin on your otherwise expected effective date.

**Lifetime Maximum:** The Lifetime Maximum is the maximum benefit dollar amount UNUM will pay over the life of your coverage. This dollar amount is based on the Facility Benefit Amount and Benefit Duration. For Example: If you choose $3,000 Facility Monthly Benefit Amount & 3 Year Duration, your Lifetime Maximum is calculated as follows, $3,000 per Month X 12 Months X 3 Years = $108,000 Lifetime Maximum

**Insurance Age:** Insurance Age is used to determine the cost of your coverage. Insurance Age is your age on the plan effective date if you enroll for coverage prior to the plan effective date. If you enroll for coverage on or after the plan effective date, insurance age is your age on the date you sign the enrollment form.

**Questions:** Please call 1-800-227-4165 with questions regarding your Long Term Care Insurance.
Caution: If you must complete an Application for Long Term Care Insurance which includes evidence of insurability, the issuance of a long term care insurance certificate will be based on your response to the questions in your application. A copy of your Application for Long Term Care Insurance was retained by you when you applied. If your answers are incorrect or untrue, Unum may have the right to deny benefits or rescind your coverage. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of your answers are incorrect, contact Unum at this address: Unum Life Insurance Company of America, 2211 Congress Street, Portland, Maine 04122.

NOTICE TO BUYER: This plan may not cover all of the costs associated with long term care which you may incur during the period of coverage. You are advised to review carefully all coverage limitations.

1. The policy is a group policy of insurance which was issued in PENNSYLVANIA.

2. PURPOSE OF OUTLINE OF COVERAGE
   This outline of coverage provides a brief description of the important features of the plan. You should compare this outline of coverage to outlines of coverage for other plans available to you.
   This is not an insurance contract, but only a summary of coverage. Only the Policy contains governing contractual provisions. This means that the Policy sets forth in detail the rights and obligations of both you and Unum. Therefore, if you purchase this coverage, or any other coverage, it is important that you READ YOUR CERTIFICATE CAREFULLY!

3. FEDERAL TAX CONSEQUENCES: This Policy is intended to be a federally tax-qualified long term care insurance contract under Section 7702B(b) of the Internal Revenue Code of 1986, as amended.

4. TERMS UNDER WHICH THE GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED
   - RENEWABILITY: THE POLICY IS GUARANTEED RENEWABLE. This means you have the right, subject to the terms of The Policy, to continue your coverage as long as premiums for your coverage are paid on time. We cannot change any terms of The Policy on our own, except that, in the future, we MAY INCREASE YOUR PREMIUM.
   - WHEN COVERAGE WILL END
     Your coverage will end on the earliest of these dates;
     • the date the Policy ends,
     • the date you are no longer an Active Employee with the Policyholder,
     • the date you no longer work for the Policyholder,
     • the end of the period for which premiums were last paid to Unum for your coverage,
     • the date your total benefit payments equal your Lifetime Maximum Amount, or
     • the date you die.
     If you are absent from work at the Policyholder for any reason, you will continue to be covered for group coverage if the Policyholder continues to pay premiums to Unum.

QTAXOOC (9/02)
• **CONTINUATION OF COVERAGE/ CONVERTED COVERAGE**
  If your group coverage ends for any reason other than your choice to cancel your coverage, or you choose to stop the payment of premiums, you may elect continuation of coverage. If your group policy terminates, you may elect converted coverage, which means an individual long term care policy providing benefits identical to or benefits substantially equivalent to or in excess of those provided under the group policy from which conversion is made.
  
  Election for continued or converted coverage must be made within 31 days of the date your coverage ends. You must pay premium directly to Unum for your coverage to be continued or converted.

• **PREMIUM WAIVER**
  Once benefits become payable, there will be no more cost for your coverage as long as you are Chronically Ill. If you do not receive Professional Home Care Services for a period of 30 consecutive days, premium payments will again become due. If benefits are no longer payable, you must resume premium payments to continue your coverage.
  
  Premiums are not waived while you are receiving a payment for Respite Care.

5. **TERMS UNDER WHICH THE COMPANY MAY CHANGE PREMIUMS**
  The rate will not increase because you grow older or because of your use of the benefits. However, the rate schedule may change in the future depending on the overall use of the benefits of all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to Unum’s underwriting risk studies under this type of insurance. Any change in premium rates will be made by written notice to the Policyholder. If you are direct billed by Unum, written notice will be made to you at least 45 days in advance.

6. **TERMS UNDER WHICH THE CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED**
  • You have a 30-day right to examine the certificate. If, after examining the certificate, you are not satisfied for any reason, you may withdraw your enrollment in the plan by returning your certificate within 30 days of its delivery to you. The certificate, together with a written request for withdrawal must be sent to the Plan Administrator or Unum. Upon receipt, your insurance will be deemed void from its effective date and any premium contribution(s) paid will be returned, to you within 30 days after receipt of your withdrawal.
  
  • Premiums for additional, increased or terminated insurance may cause a pro-rata adjustment on the next premium due date.
  
  • If Unum is notified of your death, Unum will refund to your estate, on a pro-rata basis, any part of the premium you paid which applies to the period after death.

7. **THIS IS NOT MEDICARE SUPPLEMENT COVERAGE**
  If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from Unum. You may obtain a copy of the Guide by calling 1-800-227-4165. Unum Life Insurance Company of America is not representing Medicare, the federal government or any state government.

8. **LONG TERM CARE COVERAGE**
  Plans of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventative, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.
This plan provides coverage in the form of a fixed dollar indemnity monthly benefit if you become Chronically Ill and you are receiving care while confined in a Long Term Care Facility or Assisted Living Facility. If you purchase Total Home Care or Professional Home Care Services coverage, we will pay you a benefit if you elect to receive care other than in a Long Term Care Facility or Assisted Living Facility.

Coverage is subject to policy limitations, benefit maximums and elimination periods.

9. BENEFITS PROVIDED BY THE POLICY

REFER TO THE ATTACHED SUMMARY OF BENEFITS FOR THE BENEFITS AVAILABLE UNDER THE POLICYHOLDER’S PLAN

Eligibility for the Payment of Benefits

You will be eligible for a Monthly Benefit after you become Chronically Ill and a Licensed Health Care Practitioner has certified, within the previous 12 months:

(a) that you are unable to perform (without Substantial Assistance from another individual) two or more ADLs for a period of at least 90 days, or

(b) that you require Substantial Supervision by another individual to protect you from harming yourself or others due to Severe Cognitive Impairment.

You will be required to submit a Licensed Health Care Practitioner certification every 12 months.

NOTE: The 90 day period is not an additional Waiting Period or Elimination Period.

Limitations or Conditions on Eligibility for Benefits

A Monthly Benefit will become payable after:

(a) You have satisfied your Elimination Period; and

(b) You are receiving services in a Long Term Care Facility or Assisted Living Facility; or Professional Home Care Services if your plan includes a Professional Home Care Services benefit; or Total Home Care if your plan includes a Total Home Care benefit;

Treatment for your Chronic Illness must be provided pursuant to a Written Plan of Care developed by a Licensed Health Care Practitioner.

If you have an existing loss of ADLs or Severe Cognitive Impairment on your effective date of coverage, that loss or impairment will only be eligible for coverage if you recover from that loss or impairment. We must receive acceptable proof of your ADL or cognitive recovery, such as a Physicians statement or an assessment.

A monthly benefit will become payable once all of these requirements are met. Unum will pay you:

• the Long Term Care Facility Benefit Amount if you receive care while confined in a Long Term Care Facility, or

• the Assisted Living Facility Benefit Amount if you are chronically ill and are receiving services in an Assisted Living Facility. The Assisted Living Facility Benefit Amount will be 60% of the Long Term Care Facility Benefit Amount or the Professional Home Care Services Benefit Amount shown on the Summary of Benefits, whichever is greater, or

• 1/30th of the Monthly Professional Home Care Services Benefit Amount for each day you receive Professional Home Care Services if you choose to receive care anywhere other than a Long Term Care Facility or Assisted Living Facility.

This care can be provided at any type of facility, such as an Adult Day Care Facility, or your home by/through a licensed Home Health Care Provider.
"Professional Home Care Services" means:

- visits to your residence by a Home Health Care Provider to provide skilled nursing care; physical, respiratory, occupational, dietary or speech therapy; and homemaker services. Each one hour or more per day of a Home Health Care Provider's services will be considered one visit; or
- Adult Day Care; or
- Hospice Care.

The treatment and services you receive must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.

Professional Home Care Services do not include services performed by your spouse, daughter, son, parent, sister, brother, grandparent or grandchild through a Home Health Care Provider or an Adult Day Care Facility.

- The Total Home Care Amount shown on the Summary of Benefits if you choose to receive care anywhere other than a Long Term Care Facility or Assisted Living Facility.

"Total Home Care" means:

- visits to your residence by a Home Health Care Provider to provide skilled nursing care; physical, respiratory, occupational, dietary or speech therapy; and homemaker services; or
- Adult Day Care; or
- Hospice Care; or
- care provided by an informal caregiver, such as your friends or relatives.

The treatment and services you receive must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.

**Bed Reservation Benefit** means if you are receiving a Long Term Care Facility or Assisted Living Facility monthly benefit and your stay in the Facility is interrupted because you are hospitalized, we will continue to pay the monthly benefit if a charge is made to reserve your accommodations in the Facility.

If your stay is interrupted because you are hospitalized while you are completing your Elimination Period, such days will be used to help satisfy this period.

Bed Reservation days will be limited to 15 days per calendar year.

If your plan includes Professional Home Care Services, the benefit payment will be based on the number of days you receive these services each month.

A Monthly Benefit payable for less than one month will be paid at the rate of 1/30th of the Monthly Benefit Amount for each day you are eligible for a Monthly Benefit.

**Respite Care Benefits** means formal care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities. If you are eligible for a home care monthly benefit but benefits have not yet become payable, payments will be made to you for each day you receive respite care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your home care monthly benefit for each day that you receive respite care.
**Contingent Nonforfeiture Benefit** means that if there is a substantial increase to your premium rate, you may choose to do one of the following:

1. continue to pay the required premium;
2. reduce your benefits provided by the current coverage without the requirement of underwriting so that your required premium payments are not increased;
3. elect to convert your coverage within 120 days of the premium increase effective date to a paid-up status with the Contingent Non-forfeiture Benefit; or
4. terminate your policy within 120 days of the premium increase effective date and be automatically converted to the Contingent Non-forfeiture Benefit.

**ADDITIONAL BENEFITS**

**Inflation Protection Provision - 5% Compound Inflation With No Cap**

Your Monthly Benefit Amount will increase each year on January 1st by 5% of the Monthly Benefit in effect on that January 1st. Your remaining Lifetime Maximum Benefit Amount will also increase. Increases will be automatic and will occur regardless of your health and whether or not you are Chronically Ill. Your premium will not increase due to automatic increases in your Monthly Benefit Amount.

The benefit paid is subject to the Lifetime Maximum Benefit Amount. Benefits are not paid during the Elimination Period.

A chart showing a graphic comparison for plans with and without Inflation can be found on page 10 of this Outline of Coverage.

THIS PLAN MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.

11. RELATIONSHIP OF COST OF CARE AND BENEFITS

Because the costs of long term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted.

REFER TO THE ATTACHED SUMMARY OF BENEFITS FOR THE BENEFITS AVAILABLE UNDER THE POLICYHOLDER’S PLAN

- COST
  
  The premium rate paid for your coverage over the duration of your initial coverage or for any increases is based on your insurance age.

- ELECTION TO INCREASE COVERAGE
  
  You can apply at any time to increase coverage by filling out a new Benefit Election Form and a Long Term Care/Evidence of Insurability Application.
INFLATION INCREASES (5% Uncapped Compound Growth)

If your plan includes the Inflation Protection Increase Provision, your Monthly Benefit Amount will increase each January 1st by 5%. Increases will be automatic and will occur regardless of your health and whether or not you have suffered a chronic illness. Your premium will not increase due to the automatic increases in your Monthly Benefit Amount.

The following charts show a comparison, over a period of 20 years, of a $2,000 benefit with and without the Uncapped Compound Growth Inflation option.

NOTE: This example is based on a $2,000 monthly benefit and is for illustrative purposes only.

NOTICE TO APPLICANT REGARDING REPLACEMENT
OF ACCIDENT AND SICKNESS NURSING HOME OR LONG-TERM CARE INSURANCE

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

Do you intend to lapse or otherwise terminate existing accident and sickness, nursing home or long term care insurance and replace it with group long term care insurance to be issued by Unum Life Insurance Company of America? If so, you should review this new coverage carefully, comparing it with all accident and sickness, nursing home or long term care insurance coverage you now have, and terminate your present insurance only if, after due consideration, you find that purchase of this long term care coverage is a wise decision.

Your new certificate provides thirty (30) days within which you may decide, without cost, whether you desire to keep the insurance. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new certificate.

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new insurance. This could result in denial or delay in payment of benefits under the new insurance, whereas a similar claim might have been payable under your present insurance.

2. State law provides that your replacement coverage may not contain new pre-existing conditions or waiting periods. Your insurer will waive any time periods applicable to pre-existing conditions or waiting periods in the new coverage for similar benefits to the extent such time was spent (depleted) under the original coverage.

3. If you are replacing existing long term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present insurance. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

4. If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

People buy long term care insurance for many reasons. Some don’t want to use their own assets to pay for long term care. Some buy insurance to make sure they can choose the type of care they get. Others don’t want their family to have to pay for care or don’t want to go on Medicaid. However, long term care insurance may be expensive, and may not be right for everyone.

By Pennsylvania law, the insurance company must fill out part of the information on this worksheet and ask you to fill out the rest to help you and the company decide if you should buy this long term care insurance coverage.

Premium Information
The premium for the coverage you are considering will be $ ________ per month, or $ ______ per year.

Type of Policy - guaranteed renewable.

The Company’s Right to Increase Premiums: The company has the right to increase premiums on this policy form in the future, provided it raises rates for all policies in the same class in this state.

Rate Increase History: [Unum Life Insurance Company of America has sold long term care insurance since 1988; the B.LTC policy series has been sold since 1990, the GLTC95 policy series has been sold since 1997 and the GLTC04 policy has been sold since 2005. The company has not raised its rates on these or similar policy forms in the last ten years.]

If not, have you considered how you will pay for the difference between future costs and your daily benefit amount? ☐ My Income  ☐ My Savings/Investments  ☐ My Family Will Pay

The national average annual cost of care in a nursing home in [2006] was close to $74,460, but this figure varies across the country. In ten years the national average cost would be about $115,512 if cost increase 5% annually.

1. **Premium Rate**: Premium rate that is applicable to you and that will be in effect until a request is made and approved for an increase is shown on the application.

2. **The premium for this policy will be shown on the schedule page of your policy.**

3. **Premium Rate Adjustments**: Any change in premium will be effective on your Policy Anniversary Date. We will send you written notice at least 45 days in advance.

4. **Potential Rate Revisions:**

   **This policy is Guaranteed Renewable.** This means that the rates for this policy may be increased in the future. Your rates can NOT be increased due to your increasing age or declining health, but your rates may go up based on the experience of all policyholders with a policy similar to yours.

   **If you receive a premium rate increase in the future, you will be notified of the new premium amount and you will be able to exercise at least one of the following options:**

   - Pay the increased premium and continue your policy in force as is.
   - Reduce your policy benefits to a level such that your premiums will not increase. (Subject to state law minimum standards.)
   - Exercise your non-forfeiture option if purchased. (This option is available for purchase for an additional premium.
   - Exercise your contingent non-forfeiture rights.* (This option may be available if you do not purchase a separate non-forfeiture option).

   **Contingent Non-Forfeiture**

   If the premium rate for your policy goes up in the future and you didn't buy a non-forfeiture option, you may be eligible for contingent non-forfeiture. Here's how to tell if you are eligible:

   You will keep some long-term care insurance coverage, if:

   - Your premium after the increase exceeds your original premium by the percentage shown (or more) in the following table; and
   - You lapse (not pay more premiums) within 120 days of the increase;

   The amount of coverage (that is, new lifetime maximum benefit amount) you will keep will equal the total amount of premiums you have paid since your policy was first issued. If you have already received benefits under the policy, so that the remaining maximum benefit amount is less than the total amount of premiums you have paid, the amount of coverage will be that remaining amount.

   Unum is a registered trademark and marketing brand of Unum Group and its insuring subsidiaries.

1182-02
Except for this reduced lifetime maximum benefit amount, all other policy benefits will remain at the levels attained at the time of the lapse and will not increase thereafter.

Should you choose this Contingent Non-Forfeiture option your policy with this reduced maximum benefit amount will be considered paid up with no further premiums due.

Example:

- You bought the policy at age 65 and paid the $1,000 annual premium for 10 years, so you have paid a total of $10,000 in premium.
- In the eleventh year, you receive a rate increase of 50%, or $500 for a new annual premium of $1,500, and you decide to lapse the policy (not pay any more premiums).
- Your paid-up policy benefits are $10,000 (provided you have at least $10,000 of benefits remaining under your policy).

Contingent Non-Forfeiture Cumulative Premium Increase over Initial Premium that qualifies for Contingent Non-Forfeiture.

(Percentage increase is cumulative from date of original issue. It does NOT represent a one-time increase.)

## Things You Should Know Before You Buy Long Term Care

### Long Term Care Insurance
- A long term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.
  - You should not buy this insurance policy unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
  - The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

### Medicare
- Medicare does not pay for most of long term care.

### Medicaid
- Medicaid will generally pay for long term care if you have very little income and few assets. You probably should not buy this policy if you are now eligible for Medicaid.
  - Many people become eligible for Medicaid after they have used up their own financial resources by paying for long term care services.
  - When Medicaid pays your spouse’s nursing home bills, you are allowed to keep your house and furniture, a living allowance and some of your joint assets.
  - Your choice of long term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local and state Medicaid agency.

### Shopper’s Guide
- Make sure the insurance company or producer gives you a copy of a booklet called the “Guide to Long Term Care”. Read it carefully. If you have decided to apply for long term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

### Counseling
- Free counseling and additional information about long-term care insurance are available through your state’s insurance counseling program. Contact your state insurance department or department on aging for more information about the senior health insurance counseling program in your state.

FOR MASSACHUSETTS RESIDENTS ONLY

Re: Long-Term Care Insurance Policies Issued in Massachusetts that are Intended to Qualify Insureds for Certain MassHealth Exemptions

The purpose of this notice is to describe the minimum coverage requirements needed to potentially qualify for exemptions from some MassHealth eligibility and recovery rules. Information about these coverage requirements is also available in the publication Your Options for the Financing of Long-Term Care: A Massachusetts Guide. The Commissioner of Insurance has instructed all long-term care insurance carriers to provide this notice to clarify the coverage requirements associated with MassHealth exemptions.

Buying long-term care insurance in Massachusetts that meets certain standards may qualify the insured for exemptions from some of the eligibility and recovery rules under the Massachusetts MassHealth (Medicaid) Program. **It is important to note that MassHealth minimum coverage requirements are based upon benefits available as of the day the individual enters a nursing home, not what is available on the day the person buys a policy.**

One of the existing requirements to qualify for MassHealth exemptions is that an individual's long-term care insurance must have benefits available to pay at least $125 per day for at least 730 days (2 years) of nursing home care as of the day the individual enters a nursing home.

Although a long-term care insurance policy may satisfy the MassHealth minimum coverage requirements at the time it is purchased, if the insured uses the policy to pay for non-nursing home benefits (e.g., home health care, personal care or assisted living benefits), the amount of benefits available to pay for nursing home care may be reduced. Depending upon the original maximum benefit and other benefits that may have been used, the policy may not meet the MassHealth minimum coverage requirements as of the day the individual enters a nursing home.

For example: a person purchased a policy with 730 days of nursing home and home health care coverage and, prior to entering the nursing home, used 100 days of coverage to pay for home health care services. On the day the individual enters the nursing home, the person would have 630 days of coverage left to pay for nursing home care. This is less than the minimum 730 days of nursing home coverage required for certain MassHealth exemptions.

It should also be noted that a long-term care policy with an inflation protection benefit may ultimately satisfy the MassHealth minimum coverage requirements, even if the policy failed to meet the MassHealth minimum coverage requirements on the day it was purchased. For example, a policy that initially had a $100 per day benefit with an annual inflation adjustment could potentially increase over time to meet the MassHealth minimum coverage requirements as of the day the person enters a nursing home.

Qualifying for insurance benefits is independent from qualifying for an exemption under MassHealth. For more information, contact your agent or read Your Options for Financing Long-Term Care: A Massachusetts Guide.

Please be aware that laws may change and the exemptions and the MassHealth minimum coverage requirements that exist today may not necessarily be the same in the future (or might not exist at all).
