Visiting Assistant Professor of Chemistry – One Year Appointment

Position Summary:

Gettysburg College invites applications for a one-year Visiting Assistant Professor position in chemistry beginning August 2015. The successful candidate will contribute to course offerings in general chemistry and physical chemistry. The teaching load for this position will be three courses each semester, where either a lecture or lab section is considered to be one course. The opportunity to work with undergraduate research students is a possibility.

Qualifications:

The successful candidate will have a Ph.D. (or be ABD) in the area of physical chemistry. Teaching experience or promise of excellence in teaching is desirable.

Application Details:

Please visit our website to submit your application electronically: http://gettysburg.peopleadmin.com/postings/1225. Your application should include a cover letter, curriculum vitae, statement of teaching goals in a liberal arts environment, and current email addresses for three professional references (at least one of whom can comment on your teaching ability). Professional references will be contacted by Gettysburg College to submit letters of recommendation electronically. Applications and letters of recommendation received by February 20th will be given fullest consideration; however, submissions will continue to be reviewed until the position is filled.

Direct any inquiries about the position to Joseph Grzybowski (jgrzybow@gettysburg.edu), Acting Chair, Chemistry Department, Gettysburg College, 300 N. Washington Street, Gettysburg, PA 17325.

Gettysburg College is a highly selective liberal arts college located within 90 minutes of the Baltimore/Washington metropolitan area. Established in 1832, the College has a rich history and is situated on a 220-acre campus with an enrollment of over 2,600 students. Gettysburg College celebrates diversity and welcomes applications from members of any group that has been historically underrepresented in the American academy. The College assures equal employment opportunity and prohibits discrimination on the basis of race, color, national origin, gender, religion, sexual orientation, gender identity, gender expression, age, and disability.
