DECLARATION OF A MINOR

If you have declared a major, you may also declare a minor concentration in an academic department or area that has an approved minor program. A minor shall consist of six courses; no more than two of which shall be 100-level courses. You must maintain a “C” or 2.0 average in all of the courses taken in that minor field. The minor will appear on your final official transcript.

Submit this form to the Registrar. It must be signed by a representative of the minor area. You will not have a minor adviser unless otherwise instructed by the minor department.

Name ________________________________  ID # ________________________________

Date: ________________  Box No. ____________  Graduation Date ________________

Proposed Minor ________________________________  Major ______________________

Minor Area Representative’s Signature ________________________________
