NATIONAL CHAMPS!

Congratulations to the women’s lacrosse team, which won the NCAA Div. III Championship this past weekend! It’s the 2nd NCAA title for the Bullets (2011), and third national team title in school history (1980 field hockey). Read all about it!

MAY STILL BE TIME

The Gettysburg College Fund Year ends at midnight tonight (May 31), which means…

- All gifts received (or checks dated) by midnight will count in the 2016-17 fund year totals. It’s quick and easy to make your online gift now if you haven’t already done so!
As of today, we are within reach of topping the College’s Gettysburg Fund record of $3.9 million raised last year. But we need your help to put us over the top!

Looking for another reason to give back? Remember that every alumni gift helps to improve our annual ranking in U.S. News & World Report. Its sole measure of “alumni satisfaction” is based on the percent of alumni who give back to the College. Your gift makes a difference in these rankings and in our students’ experiences!

If you’re an alum or parent who’s made a gift the last two (or more) years, a gift this year will earn (or retain) your spot in the “Loyalty Circle,” the donor society that recognizes our most loyal and consistent donors.

To be part of this year’s success story, make an online gift before midnight tonight; mailing instructions can also be found on our “How to Give” page. For those who have already given, or are about to do so, thanks so much for your valued support!

A t-shirt goes to the first person to email alumni@gettysburg.edu with the correct answer!

Last month, for the first time, nobody correctly answered the trivia question! The first outside Commencement speaker was Frederick Knubel, who spoke at the 1911 exercises.
