

Gettysburg Fund Payroll Deduction

Payroll deduction is a quick and easy way to make your gift to Gettysburg College. Small bi-weekly deductions grow into significant gifts! Consider the following formulas:

Annual Contribution	Deduction Per Pay Period	Annual Contribution	Deduction Per Pay Period
\$50.00	\$1.93	\$500.00	\$19.24
\$100.00	\$3.85	\$1,000.00	\$38.47
\$150.00	\$5.77	\$1,500.00	\$57.70
\$200.00	\$7.70	\$2,500.00	\$96.16
\$250.00	\$9.62	\$5,000.00	\$192.31

Note: these deduction amounts are based on the 26 pay periods in fund year 2017 (June 1 – May 31): Please see reverse for the formula to determine the amount you could elect to deduct to reach a specific gift total.

Example 1: You decide to make a \$1,500 gift on August 12. The earliest pay period that your gift will be deducted is September 2. Therefore, your 2017 gift can be divided by as many as 20 pay periods. $\$1,500/20 = \75.00 per pay period.

To ensure that your payment will be made in full by the last deduction on May 26, please multiply the amount per pay period by the number of deductions. $\$75.00 \times 20 = \$1,500$

Example 2: You decide to make a \$600 gift on November 20. The earliest pay period that your gift will be deducted is December 9. Therefore, your 2017 gift can be divided by as many as 13 pay periods. $\$600/13 = \46.153 .

To ensure that your payment will be made in full by the last deduction on May 26, please multiply the amount per pay period by the number of deductions. $\$46.15 \times 13 = \599.95 , \$.05 lower than the intended gift amount. Therefore, we encourage you to round up your deduction amount to \$46.16.

$\$46.16 \times 13 = \600.08
