CO-ED YOUTH CURRICULUM

Our youth program will benefit boys and girls of all ability levels. Children from the beginner to the all-star will improve their skill and game awareness. We emphasize individual skill development in a dynamic and fun environment. The children will learn a "move of the day" and be introduced to basic game tactics. Match play will be "small sided" to allow for maximum touches on the ball. The size of the teams will progress in a systematic way that will allow the children to develop tactically in an age appropriate manner. **Children will be grouped by age and experience to ensure a fun and challenging atmosphere.**

WHAT TO BRING

Each camper should bring the following items to camp each day:

All campers **must** have an age appropriate ball each day.

Cleats, sneakers, shin-guards and a snack (both full-day and morning campers).

LOCATION

All sessions will be held on the athletic fields on the campus of Gettysburg College. Lunch will be served by our nationally acclaimed dining center either in a box lunch or in the dining hall facility.
