

ATTENTION NEW HIRES

Looking for a way to save money on your commute to work?

- Whether or not you have a vehicle available, we can provide you with options for your commute, including transit routes and potential carpool or vanpool partners.
- Fill out the application on the reverse side of this sheet and submit it to your HR staff, visit www.PaCommuterServices.com OR contact Commuter Services (**1-866-579-RIDE**) for further information.
- If you live and work near anyone registered in our database, we will send you their names and contact numbers. If you are interested in bus route or Amtrak information, please let us know.
- If you ride the bus or train, carpool/vanpool, bike or walk to work at least two times a week, you qualify for the Emergency Ride Home (ERH) program. ERH is a free ride home, in the event of an emergency, for commuters who use options other than driving alone.
- You must be registered in our database to take advantage of the ERH program. A maximum of 6 ERHs a year are reimbursed for each commuter; please contact us for further information.
- Commuter Services is a FREE program and is funded through PennDOT and the Federal Highway Administration.
