

## Gettysburg College Student Health Insurance

All Gettysburg College Students must have adequate Health Insurance.

To waive out of the Student Health Insurance Charge, show us proof of coverage by August 1, 2009.

❖ **Students ONLY:**

- Login to the Student Center.
- Choose Self Service
- Campus Personal Information
- Student Health Insurance Info
- New Students - complete the required fields
- Continuing Students - click on Make Changes - review the information and Save Changes
- PLEASE NOTE: The Student Accounts Office must run a process to apply the Student Health Insurance Credit to your account - this is usually done only once per week - you will not see the credit applied immediately

Please do not share your account information with anyone as this gives access to email, academic and other information systems.
