
Early Decision Admission

If Gettysburg is your first choice, you are strongly encouraged to apply for Early Decision (ED) admission. Gettysburg offers two Early Decision rounds; the ED I application deadline is November 15 and the ED II deadline is January 15. ED Admissions Decisions are mailed within one month of the application deadline.

Students who are admitted under the ED plan are obligated to enroll at Gettysburg College. Once accepted, ED candidates are expected to validate the offer with a \$500 nonrefundable deposit and to withdraw applications submitted to other institutions. In most cases, students applying for ED who are not offered acceptance will automatically be considered for Regular Decision admission upon receipt of subsequent semester grades and test scores from the senior year.

If you are applying for Early Decision, please sign this form, together with your counselor, and send it with the application to the admissions office.

I have determined Gettysburg College to be my first choice, and would like to be considered for Early Decision admission.

ED I deadline November 15 ED II deadline January 15

If accepted, I will withdraw any applications to other colleges and enroll at Gettysburg.
