The Department of Public Safety is committed to the provision of high-quality, continuously improving, community service oriented patrolling (CSOP) public safety services, designed to provide a safe and secure environment where community members can work, live, and pursue their academic and professional endeavors.

Departmental members are an integral part of Gettysburg College’s educational mission, ensuring the organization’s protection, service, and enforcement efforts are accomplished in a manner consistent with the philosophy and strategy of CSOP.

Building Partnerships for a Safer Campus Community

What We Do

- CSOP (Community Service Oriented Patrol)
- Crime Prevention Programs
- House/Travel Safety
- Alcohol & Drug Awareness
- Safety Escorts
- Life Safety/Fire Extinguisher Training

Parking Rules

- Parking permits are required
- Parking is prohibited in the following areas:
  - Reserved areas
  - Parking lots marked for employees or service vehicles
  - On grass, except in designated parking areas
  - In driveways, fire lanes, campus roadways, sidewalks, or access drives
  - No curbside parking in yellow areas
  - No student parking in “Visitor” spaces

These rules serve as a reminder and are not intended to relieve students of their responsibility to review the Traffic Rules and Regulations on the college’s website for Traffic and Parking.
