The Student Center has a new look with some exciting new features. You will see a Search link which gives you the ability to search the class schedule for a particular semester or browse the course catalogue. The Plan link allows you to search the course catalogue for courses you may want to take in a future semester. These courses can then be moved to your shopping cart and validated for a particular semester.

The Enroll link takes you to your pre-registered courses and to your shopping cart. You can add courses to your shopping cart by searching the Class Schedule, My Requirements, or My Planner. If you use the Class Schedule option, you are able to select courses from the current course offerings. If you check the My Requirements and search, when the page comes up you will then click on the My Requirements tab. You will get your academic requirement report and can easily see which requirements are not satisfied. If you choose the My Planner option and search, you will click the Plan link. This opens your Planner and will allow you to select courses from the listing you created there.

Another new feature is the “What-if” report which allows you to select a different major and run the “What-if” report to show you what you would need to fulfill that new major.

To begin using your planner, select the Browse Course Catalog button.
Use the Alpha link to search for a course by the first letter of the subject. Use the **Collapse All** button to quickly view all of the subjects that begin with the same letter. To view all of the courses that begin with the same letter, use the **Expand all** button.

To add a course to your planner, select the checkbox to the left of the desired course.
After you have selected a course, scroll to the top of the page and click the Add to Planner button. A confirmation is displayed to confirm your selection.
You can click on “View Class Sections” to see in which semester a course will be offered.
Select the section and add the course directly to your Shopping Cart from here.

You will receive a confirmation.

After you have made all of your selections, select the **Shopping Cart** tab at the top of the page.
Select a term from the shopping cart page. Click the radio button on the left of the desired term. Then click the **Continue** button to proceed.

The **Add Classes to Shopping Cart** page is displayed.
To search for a course within your planner, in the ADD TO CART section, click the radio button left of My Planner.
The **Search from My Planner** page is displayed. To add the course to the shopping cart, click the **Select** button to the right of the desired course.
All of the sections for the selected course are displayed.

To choose a class, click the **select** button to the right of the desired class.
The Enrollment Options page is displayed. If you want to add your name to a waitlist for the class select that option here. If you do not need this option, click the Next button at the bottom of the page to continue.
A confirmation message that the class has been added to the **Shopping Cart** is displayed. The Enroll button may be used to submit your Shopping Cart for registration during your enrollment dates. To view your enrollment dates, select the **My Enrollment Dates** link from the Student Services section.
