Spark Houses 2015-2016

- Serve as social and intellectual hubs for students, faculty, and staff.
- Connect academic departments, courses, College programs, and student clubs/organizations with a shared commitment to an interdisciplinary topic and an annual focus selected by house members.
- Provide an opportunity for deep involvement by the students-in-residence while also inviting the broader campus community to actively engage in the interdisciplinary focus.
- Foster focused exploration, knowledge exchange, and respectful dialogue.
