March 2024

**Gettysburg Student Patient Portal:**  
<https://gettysburg.medicatconnect.com>

Dear Incoming Student,

Welcome to Gettysburg College! We are looking forward to having you join the Gettysburg community and supporting your wellbeing.

In order to do so, we need to acquaint you with Medicat, our Electronic Health Record (EHR) portal. The Medicat Patient Portal is your secure entry point to:

- Find the necessary forms to be printed and completed by your medical provider,
- Complete the necessary online forms,
- Upload completed forms and documentation, and
- Communicate with us regarding your health and well-being throughout your career at Gettysburg College.

Any information you share via Medicat is confidential within the Gettysburg College Health Center by Wellspan Health and the Gettysburg College Counseling and Wellness Center.

In order to comply with the College's health requirements, you must complete the following and all of these materials are found on your Patient Portal.

1. **Immunization Information:** Under **Forms – First Year Required Forms** you will find the link to our First Year Dashboard Immunization Form that needs to be downloaded, printed, and taken to your Health Care Provider to be **COMPLETED and RETURNED to the Gettysburg College Health Center by Wellspan Health BY June 30, 2024.** Using the completed and signed Immunization Form provided by your Health Care Provider, click on the **Immunizations** tab and enter the dates of your immunizations. Please review the form to be sure all of the information requested is filled in. When the form is complete, **we prefer you upload the document via the Uploads tab on your Medicat Student Portal**, but you may also fax or email them.

**PLEASE NOTE** – this requirement will not be considered “Complete” until the finalized documentation from your Health Care Provider for your immunization information is uploaded, received, and verified by the Gettysburg College Health Center by Wellspan Health.

2. **Part A. Health History Form**

**Part B. Mental Health History Form**

Log into your Student Patient Portal under the Forms tab and complete BOTH forms online. *Any additional instructions regarding these forms will be provided online with the forms.*

To Log In to your Patient Portal, go to <https://gettysburg.medicatconnect.com> and log in using your Gettysburg College Network User ID and password. Once you are logged in, go to the “Forms” tab and across the top of your Patient Portal homepage. Here you will find all the items you need to complete prior to your arrival on campus in August along with specific instructions.

Incoming students will not be permitted to register for classes until all medical information, including the Health History Form and Mental Health History Form are completed, received, and reviewed by the Gettysburg College Health Center by

Wellspan Health and the Gettysburg College Counseling and Wellness Center. Please do not upload/return forms signed by your Health Care Provider until you have reviewed them and all the information requested is filled in. Do not depend upon your Health Care Provider's office to return the forms for you.

Gettysburg College's Health Center by Wellspan Health and Counseling and Wellness Center welcome the class of 2028 to our campus community. For information about the Gettysburg College Health Center by Wellspan Health, please call 717-337-4105 Monday through Friday from 8AM to 5PM. For information about the Gettysburg College Counseling and Wellness Center, please visit [our website](#) or call 717-337-6960 Monday through Friday from 8:30AM to 5PM.

Sincerely,

Krista Dhruv, LCSW  
Executive Director of Counseling and Wellness Services  
Gettysburg College Counseling and Wellness Center

And The Gettysburg College Health Center by Wellspan Health
