Subject: Now it’s Easy to Track Claims and Spending on Your Highmark Member Website

Managing your health care benefits has just gotten easier, with the new Claims and Spending tabs on your Highmark member website.

When you register or log in to the Highmark member website later this month, you’ll see how these new tabs:

The Claims tab makes it clear and simple

- Quickly see:
  - How much did the doctor visit cost?
  - How much do you owe?
  - Have you met your deductible?
  - Has that claim been approved?

- Your Activity Summary gives you the big picture:
  - An at-a-glance overview of your plan.
  - Progress toward meeting deductibles for everyone on your plan.
  - Status of claims for everyone on your plan.

- The Claims & Payment section gives you the right details:
  - See if a claim was approved for anyone on your plan.
  - Expand the details of claims to understand how the claim cost was calculated.

- The Statement Archive and Messages sections let you:
  - Access quarterly statements of claim and payment information.
  - Receive important health care reminders.

The Spending tab allows you to stay on top of your health care costs

- Access to tools to help you manage health care costs:
  - Care Cost Estimator and Rx Cost Comparison
  - More savings tips

These new tools work the same on any desktop or mobile device, so you can view messages about claim activity, approvals and payments when you’re on the go.
