

Application for Mathematics Department Student Conference Funds

Submit this completed form to **the Chair of the Mathematics Department, Box 402, bkennedy@gettysburg.edu**. Applications should be submitted one month before the conference or meeting takes place, and a detailed budget should be provided. Students are eligible for department funds only if all other sources of funding (Provost's Office funds, external sources such as funding from REU or other summer program or MAA, etc.) have been exhausted. Students should submit all receipts, including those for amounts not scheduled for reimbursement.
