187TH COMMENCEMENT
SATURDAY, MAY 14, 2022
11:00 A.M.
NORTH SIDE, PENNSYLVANIA HALL
Gettysburg College was founded on April 7, 1832, by anti-slavery theologian Samuel Simon Schmucker. Five years later, the institution (then known as Pennsylvania College) moved into Pennsylvania Hall, built on land provided by Thaddeus Stevens, whose illustrious career in Congress included authorship of the 14th Amendment, which guaranteed full civil rights to citizens of all states.

When the Civil War erupted, the College stood in its midst. Elements of two great armies swept through campus on July 1, 1863, the first day of the decisive Battle of Gettysburg. Pennsylvania Hall became a hospital for hundreds of soldiers from both North and South.

On November 19, 1863, townspeople, students, and faculty marched to hear President Abraham Lincoln hallow the National Cemetery with his Gettysburg Address. David Wills, an 1851 graduate, invited Lincoln to deliver “a few appropriate remarks.”

Almost a century later, President Dwight D. Eisenhower settled in Gettysburg after leaving the White House in 1961 and served on the College’s Board of Trustees. He wrote his memoirs in what is today the College’s Admissions Office.

Today, Gettysburg College is a vibrant learning community that has produced prominent graduates in a wide variety of fields, including former White House Counsel Fred Fielding ’61, U.S. Congressman Ron Paul ’57, Nobel Prize-winning cancer researcher Michael Bishop ’57, former NAACP President and CEO Bruce Gordon ’68, five-time Oscar-nominated cinematographer Owen Roizman ’58, Chair of the Global Partnership for Education Carol Bellamy ’63, Newbery Medal-winning Maniac Magee author Jerry Spinelli ’63, leading sleep researcher Mary Carskadon ’69, McKnight Foundation President Kathryn Wolford ’79, and Emmy-award winning actor, stylist, author, and fashion guru Carson Kressley ’91.
The Presidential Medallion

The Gettysburg College Presidential Medallion and chain were created in 1978 for the inauguration of Charles E. Glassick, the eleventh president, by Norman L. Annis, former professor of art. The medallion features the College seal, three inches in diameter. The seal is flanked by two smaller medallions, one being the seal of the Evangelical Lutheran Church in America and the other depicting symbols of higher education. The one-inch medallions, which constitute the chain, list the past presidents and the dates they served the College.

The College Mace

Ceremonial occasions at Gettysburg College begin with the entrance of the College mace, carried by the College Marshal. The mace symbolizes the College’s governing authority and is present only when the president is in attendance. It is used only at Convocation, the Midyear Graduates Recognition ceremony, the Baccalaureate service, and the Commencement ceremony.

The tradition of the mace derives from medieval England, when the mace was held by a bodyguard for dignitaries at ceremonial functions. As an ancient symbol of authority, it reminds us that the College is a custodian both of the enduring traditions of learning and of the power they bestow upon those who come to learn.

The Beachem Portico

The portico on the north side of Pennsylvania Hall is properly known as the Beachem Portico, erected with funds given by the Alumni Association and dedicated to the memory of the College’s first alumni secretary, Charles W. Beachem 1925. Gettysburg College’s Alumni Association is among the oldest in the nation and particularly notable for having been formed within three years of the 1832 founding of the College. The Alumni Association of Pennsylvania College (as it was then known) was founded on Commencement day, September 16, 1835. There were 11 initial members, the graduates of 1834 and 1835.

President’s Chair

The President’s Chair comes from the estate of Dr. F. William Sunderman Sr., a 1919 graduate of Gettysburg College. In 1983 he created the Sunderman Foundation for Chamber Music, which presents a concert series on campus each year. He was also a trustee emeritus of the College and the founder of its annual Henry M. Scharf Lecture on Current Affairs. Upon Dr. Sunderman’s death in 2003, his legacy provided for the establishment of the College’s F. William Sunderman Sr. Conservatory of Music, which began admitting students in the fall of 2006.

Stole of Gratitude

The “Stole of Gratitude,” a tradition originated in 2004, is in part a gift from the Gettysburg College Alumni Association and the President’s Office. The graduates will wear the stoles throughout the Commencement Exercises as symbols of their appreciation for all of the individuals whose support was instrumental in bringing them to this day. At the reception following Commencement, or at some other time, graduates may present the stole to someone to demonstrate their gratitude for that individual’s role in their success.

Academic Regalia

Academic ceremonies, with their gowns, mortarboards, tassels, hoods, and maces are colorful traditions handed down from European universities of the Middle Ages. The first organized institutions of learning took form during the twelfth and thirteenth centuries, generally under the jurisdiction of the church. Academic regalia, as we know them today, have evolved from the robes, hoods, and caps worn mainly for warmth in unheated buildings by the clerics, monks, and priests who were the first students.

While European universities continue to show great diversity in their academic dress, American universities, in 1895, adopted a code of academic uniformity. The colors, designs, and opulence used in the tassels, hoods, velvet and satin trimmings, and robes designate everything from the level of degree held by the wearer, to his or her field of study, to the institution from which the degree was earned.

U.S. Congresswoman Stephanie Murphy

Represents Florida's Seventh Congressional District in the U.S. House of Representatives

Commencement Speaker
Doctor of Public Service

U.S. Congresswoman Stephanie Murphy represents Florida’s Seventh Congressional District in the U.S. House of Representatives. The district includes all of Seminole County and much of northern Orange County, including downtown Orlando, Maitland, Winter Park, and the University of Central Florida.

Rep. Murphy is the first Vietnamese-American woman elected to Congress in our nation’s history. She serves on the House Ways and Means Committee, where she is a member of the Subcommittee on Trade and the Subcommittee on Worker and Family Support. She also serves on the House Armed Services Committee, where she is vice-chair of the Subcommittee on Intelligence and Special Operations and is a member of the Subcommittee on Tactical Air and Land Forces. In July 2021, Rep. Murphy was appointed to serve on the bipartisan Select Committee to Investigate the January 6 Attack on the United States Capitol.

In addition to her committee assignments, Rep. Murphy serves as co-chair of the Blue Dog Coalition, a group of Democrats focused on fiscal responsibility, a strong national defense, and a principled and pragmatic approach to legislating. Rep. Murphy is the first woman of color to lead the Blue Dogs and only the second member in the coalition’s history to serve consecutive leadership terms.

Rep. Murphy also serves as a Chief Deputy Whip of the House Democratic majority. In this role, she helps Democrats communicate with House leadership so that legislation that comes to the House floor reflects the views of the entire Democratic caucus. As Chief Deputy Whip, Rep. Murphy has a seat on the powerful House Democratic Steering and Policy Committee, which recommends committee assignments to the Democratic caucus and helps shape the House policy agenda.

Before her election to Congress, Rep. Murphy was a businesswoman, college instructor, and consultant. She served as a national security specialist in the office of the U.S. Secretary of Defense, where she received numerous awards for her distinguished service, including the Secretary of Defense Medal for Exceptional Civilian Service. Congresswoman Murphy holds a master’s degree in foreign service from Georgetown University and a bachelor’s in economics from the College of William & Mary. She lives in Winter Park, Florida, with her husband and two young children.

Phoebe Doscher ’22

Student Speaker

Speaking on behalf of the Class of 2022 is Phoebe Doscher ’22, who is graduating with a Bachelor of Arts in English with a writing concentration, and theater arts. Doscher is from Sandy Hook, Connecticut.

During her four years at Gettysburg College, Doscher has been an active member of our community, holding various leadership roles. She served as editor-in-chief of our student newspaper, The Gettysburgian, was president of the Owl & Nightingale Players, and also participated in choir and voice through our Sunderman Conservatory of Music. Doscher was an intern in the College’s Office of Communications and Marketing since fall 2019—a position for which she was awarded Student Employee of the Year by our Center for Career Engagement.

She is a member of Phi Beta Kappa and the national English honor society, Sigma Tau Delta. Last academic year, Doscher was a recipient of the John Alfred Hamme Award, given to two Gettysburg juniors who have demonstrated, in the highest degree, the qualities of loyalty, kindness, courtesy, true democracy, and leadership. This year during Spring Honor’s Day, she received the Emile O. Schmidt Award for theater excellence and the Gettysburg College Student Leadership Award.

Upon graduation, Doscher will be pursuing a career in editing and writing.

ALMA MATER

Paul S. Gilbert 1922

F.E. Reinartz 1924

As softly the evening shadows are veiling the campus towers,
Whenever thy loyal ones gather to waken fond memory,

We come, a band of good fellows, to sing in the twilight hours;
Our thoughts shall be turned, Alma Mater, old Gettysburg back to thee:

The silvery moonlight mantles, the worn walls of chapel anew,
For ever am I thy debtor and what ever else I may do,

The wind in the trees sweetly echoes, our praises of orange and blue.
I'll love, I'll defend, and I'll honor the glorious orange and blue.
