COLLEGE

185TH COMMENCEMENT
SUNDAY, SEPTEMBER 26, 2021
11:00 A.M.
NORTH SIDE, PENNSYLVANIA HALL

Do great work

 #gburg2020

Gettysburg College was founded on April 7, 1832, by anti-slavery theologian Samuel Simon Schmucker. Five years later, the institution (then known as Pennsylvania College) moved into Pennsylvania Hall, built on land provided by Thaddeus Stevens, whose illustrious career in Congress included authorship of the 14th Amendment, which guaranteed full civil rights to citizens of all states.

When the Civil War erupted, the College stood in its midst. Elements of two great armies swept through campus on July 1, 1863, the first day of the decisive Battle of Gettysburg. Pennsylvania Hall became a hospital for hundreds of soldiers from both North and South.

On November 19, 1863, townspeople, students, and faculty marched to hear President Abraham Lincoln hallow the National Cemetery with his *Gettysburg Address*. David Wills, an 1851 graduate, invited Lincoln to deliver “a few appropriate remarks.”

Almost a century later, President Dwight D. Eisenhower settled in Gettysburg after leaving the White House in 1961 and served on the College’s Board of Trustees. He wrote his memoirs in what is today the College’s Admissions Office.

Today, Gettysburg College is a vibrant learning community that has produced prominent graduates in a wide variety of fields, including former White House Counsel Fred Fielding ’61, U.S. Congressman Ron Paul ’57, Nobel Prize-winning cancer researcher Michael Bishop ’57, former NAACP President and CEO Bruce Gordon ’68, five-time Oscar-nominated cinematographer Owen Roizman ’58, Chair of the Global Partnership for Education Carol Bellamy ’63, Newbery Medal-winning *Maniac Magee* author Jerry Spinelli ’63, leading sleep researcher Mary Carskadon ’69, McKnight Foundation President Kathryn Wolford ’79, and Emmy-award winning actor, stylist, author, and fashion guru Carson Kressley ’91.

In the spirit of global citizenship and community, Gettysburg College welcomes you in each language currently offered for study:

The Presidential Medallion

The Gettysburg College Presidential Medallion and chain were created in 1978 for the inauguration of Charles E. Glassick, the eleventh president, by Norman L. Annis, former professor of art. The medallion features the College seal, three inches in diameter. The seal is flanked by two smaller medallions, one being the seal of the Evangelical Lutheran Church in America and the other depicting symbols of higher education. The one-inch medallions, which constitute the chain, list the past presidents and the dates they served the College.

The College Mace

Ceremonial occasions at Gettysburg College begin with the entrance of the College mace, carried by the College Marshal. The mace symbolizes the College's governing authority and is present only when the president is in attendance. It is used only at Convocation, the Midyear Graduates Recognition ceremony, the Baccalaureate service, and the Commencement ceremony.

The tradition of the mace derives from medieval England, when the mace was held by a bodyguard for dignitaries at ceremonial functions. As an ancient symbol of authority, it reminds us that the College is a custodian both of the enduring traditions of learning and of the power they bestow upon those who come to learn.

The Beachem Portico

The portico on the north side of Pennsylvania Hall is properly known as the Beachem Portico, erected with funds given by the Alumni Association and dedicated to the memory of the College's first alumni secretary, Charles W. Beachem 1925. Gettysburg College's Alumni Association is among the oldest in the nation and particularly notable for having been formed within three years of the 1832 founding of the College. The Alumni Association of Pennsylvania College (as it was then known) was founded on Commencement day, September 16, 1835. There were 11 initial members, the graduates of 1834 and 1835.

President's Chair

The President's Chair comes from the estate of Dr. F. William Sunderman Sr., a 1919 graduate of Gettysburg College. In 1983 he created the Sunderman Foundation for Chamber Music, which presents a concert series on campus each year. He was also a trustee emeritus of the College and the founder of its annual Henry M. Scharf Lecture on Current Affairs. Upon Dr. Sunderman's death in 2003, his legacy provided for the establishment of the College's F. William Sunderman Sr. Conservatory of Music, which began admitting students in the fall of 2006.

Stole of Gratitude

The "Stole of Gratitude," a tradition originated in 2004, is in part a gift from the Gettysburg College Alumni Association and the President's Office. The graduates will wear the stoles throughout the Commencement Exercises as symbols of their appreciation for all of the individuals whose support was instrumental in bringing them to this day. At the reception following Commencement, or at some other time, graduates may present the stole to someone to demonstrate their gratitude for that individual's role in their success.

Academic Regalia

Academic ceremonies, with their gowns, mortarboards, tassels, hoods, and maces are colorful traditions handed down from European universities of the Middle Ages. The first organized institutions of learning took form during the twelfth and thirteenth centuries, generally under the jurisdiction of the church. Academic regalia, as we know them today, have evolved from the robes, hoods, and caps worn mainly for warmth in unheated buildings by the clerics, monks, and priests who were the first students.

While European universities continue to show great diversity in their academic dress, American universities, in 1895, adopted a code of academic uniformity. The colors, designs, and opulence used in the tassels, hoods, velvet and satin trimmings, and robes designate everything from the level of degree held by the wearer, to his or her field of study, to the institution from which the degree was earned.

185TH COMMENCEMENT

HONORARY DEGREE RECIPIENTS AND SPEAKERS

Lauren W. Bright '90

Commencement Speaker
Gettysburg College Medal Recipient

Lauren W. Bright '90 is general counsel of the Bill & Melinda Gates Foundation and director of the Foundation's Washington, D.C., Office. In her role with the Foundation, Bright leads its legal department, overseeing a broad range of domestic and international legal, regulatory, and policy matters, and is responsible for general operations of the Foundation's Washington, D.C., office.

Prior to joining the Foundation in 2005, Bright counseled professional societies, public charities, trade associations, and other nonprofit organizations at Shawn Pittman, LLP (now Pillsbury Winthrop Shaw Pittman) on a wide range of federal and state legal issues. During the course of her career, she has represented national education associations and institutions of higher education on legislative and regulatory matters before Congress and United States administrative agencies. She earned a J.D. from Villanova University School of Law. At Gettysburg College, Bright was an active member of the Black Student Union, Delta Gamma sorority, the College Choir, and Owl & Nightingale. She graduated in 1990 with a Bachelor of Arts in political science.

In 2013, she began her service on the College's Alumni Board of Directors, which included three years as a general member,

one year as secretary, and three years as president. Given her position as president, she had an ex-officio role on the Gettysburg College Board of Trustees from 2017-2020. In 2020, upon completion of her term as Alumni Board of Directors president, Bright became a full Board member. She now serves as the Vice Chair for the Enrollment & Educational Services Committee; Governance and Nominating Committee; and Endowment Committee.

Above all, Bright's longstanding commitments to Gettysburg College have centered around ensuring a dynamic and rewarding student experience, so all Gettysburgians may apply their education to lead fulfilling lives and forge meaningful careers out in the world. Over the years, she has generously volunteered her time and expertise on behalf of the Garthwait Leadership Center and the Center for Career Engagement, in addition to various Reunion committees. A dedicated steward of the institution, Bright has consistently supported the College through the Gettysburg Fund and a number of special campus initiatives, including the Student Emergency Fund amid the pandemic.

Callie Michele Fucarino '20

Student Speaker

Speaking on behalf of the Class of 2020 is Callie Fucarino '20, who graduated with a Bachelor of Arts in political science. Fucarino is from Waldwick, New Jersey, and currently lives in Washington, D.C., where she works as a paralegal specialist at the Department of Justice. In this role, she assists attorneys with investigations, specifically pertaining to compliance in the antitrust division, and staffs the citizen complaint center.

During her four years at Gettysburg College, Fucarino held various leadership roles. She was president of the Class of 2020 for three years, served as a leadership mentor at the Garthwait Leadership Center, and was president of the Panhellenic Council. During her junior year, she studied abroad in Budapest, Hungary. She was also a member of Order of Omega, Omicron Delta Kappa National Leadership Fraternity, and the national political honors society, Pi Sigma Alpha. Fucarino's proudest moment at Gettysburg was performing two original pieces at Our Voices, put on by the Women's Center.

PAUL S. GILBERT 1922

As soft - ly the eve - ning shad - ows are vei - ling the camp - us towers,
When - ev - er thy loy - al ones gath - er to wak - en fond mem - o - ry,

The first system of musical notation for the song 'Alma Mater'. It consists of a treble clef staff and a bass clef staff, both in 3/4 time and the key of B-flat major. The melody is written in the treble clef, and the accompaniment is in the bass clef. The lyrics are printed below the treble staff.

We come, ——— a band of good fel - lows, to sing in the twi - light hours;
Our thoughts shall be turned, Al - ma Ma - ter, old Get - tys - burg back to thee:

The second system of musical notation. It continues the melody and accompaniment from the first system. The lyrics are printed below the treble staff.

The sil - ver - y moon - light man - tles, the worn walls of chap - el a - new,
For ev - er am I thy debt - or and what ev - er else I may do,

The third system of musical notation. It continues the melody and accompaniment. The lyrics are printed below the treble staff.

The wind in the trees sweet - ly ech - oes, our prais - es of orange and blue.
I'll love, I'll de - fend, and I'll hon - or the glo - ri - ous orange and blue.

The fourth and final system of musical notation. It concludes the melody and accompaniment. The lyrics are printed below the treble staff.
