Members 1st Federal Credit Union Internship

Members 1st Federal Credit Union is now accepting applications for its summer 2018 internship program. Apply early for full consideration. Selected students will complete a paid 12-week summer internship and receive a $2,500 scholarship for educational expenses.

Apply online.

Deadline: December 1, 2017.

Mickey Leland Energy Fellowship 2018

For over 20 years the Mickey Leland Energy Fellowship (MLEF) Program has provided students with opportunities to gain hands-on research experience with the Department of Energy’s (DOE) Office of Fossil Energy (FE). Requirements: Be at least 18 years of age at time of application. Be a U.S. Citizen. Have a cumulative GPA of at least 3.0. Be currently enrolled full-time as a degree-seeking student in a STEM program at an accredited college or university at the Bachelor’s level. (Must be at least a college sophomore at the time of application.

For more information and to apply.

Meet and Greet with:
PA College Advising Corps
Thurs., Nov. 16th from 12-1pm and 4-5pm, GLAT007

Optometry Learning Experience

Salus University’s Optometry Learning Experience is both academic and career related. The first session of OLE will begin Monday, January 8, 2018 and conclude Wednesday, January 10, 2018. The second session will begin Wednesday, January 10, 2018 and conclude Friday, January 12, 2018. As in previous years, the program will be held on the Elkins Park and Oak Lane campuses of Salus University. Planned activities include observation in The Eye Institute as well as hands on clinical skills training. You will also attend lectures, laboratory sessions and participate in seminars designed specifically for the OLE participants.

For more information and to apply, please contact Rebecca Barth.
