

HONOR WITH BOOKS

Honor with Books

Is there a book lover in your life? You can honor that person, and help support Musselman Library, by purchasing a book in their name.

For each gift of \$50 to the Honor with Books Fund, the library will place a bookplate with your special message in a newly-purchased book. The honored party will receive a copy of the bookplate with a letter informing them of your thoughtfulness.

The Honor with Books Program is a wonderful way to:

- **Celebrate**...a birthday, anniversary or special event
- **Rejoice**...in a graduation, wedding, or birth
- **Memorialize**...a beloved relative or friend
- **Recognize**...a current student or graduating senior
- **Thank**...a favorite professor, colleague or mentor
- **Support**...Gettysburg College Library

To participate, fill out the form on the next page. Select one of 4 bookplate designs shown and we will add your personal message and send a copy to your honoree with a letter informing them of your gift.
