**RE: Gettysburg College Student Health Insurance Plan for the 2022-23 Academic Year**

Dear Gettysburg College Students and Parents or Guardians:

All matriculated Gettysburg College students **are required to maintain adequate health insurance coverage**. The option to enroll or waive from the plan is facilitated through the Student Dashboard.

**Action on the students' part is required by August 1, 2022 to either:**

- Complete the online insurance waiver form to document that the student has health insurance coverage.  
OR
- Complete the online enrollment form, available June 1, 2022, for the student to be enrolled in the College sponsored plan.

### **Enrollment and Waiver Deadline**

The Gettysburg-sponsored health insurance plan is provided by United Healthcare Insurance Company. To learn more about the health plan or obtain a plan brochure, please visit the insurance information platform at <https://rcmdstudentbenefits.com/gettysburg/>.

### **Assessing your Option to Waive from the College-sponsored Health Plan**

We strongly recommend that you check with your insurance provider to assure continued health insurance coverage while at Gettysburg College, specifically for visits to the Health Center, which is operated by WellSpan Medical Group; diagnostic testing (e.g., lab work, x-rays, etc.); referrals to specialists, and coverage for sports-related injuries. Some HMO plans offer guest membership plans, which provide healthcare benefits to continue at the same level when away from home. Please contact your insurance provider to find out if this option is available.

International Students and Students with out-of-Pennsylvania Medicaid Coverage: Your private insurance may not meet the minimum requirements set forth by the College. You must provide proof that you are insured by a U.S. based insurance company that meets the College's minimum insurance coverages. We do strongly encourage you to enroll in the College-sponsored health insurance plan.

The decision to enroll or waive from the Gettysburg-sponsored health plan is important, so please take the time to consider your options. **If you have any questions about insurance, please contact our insurance broker, Paige Fritze at 800-346-4075 ext. 1607 or email [Gettysburg@rcmd.com](mailto:Gettysburg@rcmd.com)**

Sincerely,

Christopher Delaney  
Associative Vice President for Finance / Associate Treasurer
