Enrollment Information

Enrollment must occur within 31 days from the date the employee becomes eligible (or as otherwise stated in the applicable policy). If you are required to pay premiums for any coverage, the enrollment form **MUST** be signed and dated to authorize payroll deductions. The premium amounts indicated on this form are estimates, and are subject to change based on the final terms and conditions of the applicable policy as well as your age and/or salary on the effective date of the coverage.

Agreement and Signature

I represent that the information I have provided in this enrollment form is complete, true and accurate to the best of my knowledge. I understand that payment of premium does not guarantee eligibility for coverage. I understand and agree that I must satisfy all active work or active eligibility requirements that pertain to the policy to be eligible for coverage. I understand and agree that life insurance coverage for my eligible dependent(s) may be delayed if they are confined (at home, in a hospital, or in any other institution or facility) or disabled on the date insurance would otherwise begin, in accordance with the terms of the policy.

Should I apply for waived coverage in the future, I understand that evidence of insurability may be required, acceptable to the underwriting company, at my own expense. I understand that if coverage is applied for in the future, it must be during an enrollment period approved by the underwriting company or due to a life change event as defined or allowed by the applicable policy, and that a waiting period may apply.

By signing below, I acknowledge that I understand and agree to the above statements, and that I have read and understand the benefit summary or outline of coverage provided to me for each type of coverage. The above requirements will apply unless otherwise stated in the applicable policy, or unless prohibited by any applicable state or federal law.
