

Participation Rates in Study Abroad: Domestic Students of Color

Graduating Class*:	2014	2015	2016	2017	2018	2019	2020	2021***	4-yr Average
Domestic Students of Color	48%	59%	55%	64%	67%	44%	57%	49%	54.0%
Graduating Class Overall**	50%	54%	53%	52%	55%	52%	57%	53%	54.4%

Note. For definition of DSOC, please see p. 58.

*Graduating Class: Included those who graduated during a 12-month period: May of the class year and the previous August and December. For example, 2021 graduating class included those who graduate in August and December of 2020 and May 2021.

*** on this page is slightly different from % on p. 12, as here the denominator is the entire graduating class, while the % on p. 12 was calculated based on the cohort (thus no transfers) and a four-year graduation time frame.

***Pandemic year. Many students cancelled their study-abroad plans for 2020-21.
