## Student Participation in Fraternities and Sororities

	2017-18	2018-19	2019-20	2020-21	2021-22	2022-23
% of men participating in a fraternity	35%	33%	33%	28%	27%	26%
% of women participating in a sorority	35%	33%	33%	35%	34%	32%

*Note.* Participation rate (%) was calculated by using all degree-seeking undergraduates as the denominator. Contextual note provided by the Director of Student Activities & Greek Life: The drop in % of men participating in a fraternity during 2020-2022 was in part due to Phi Kappa Psi and Phi Gamma Delta closing over the last two years; it is expected that the percentage will increase again with Phi Gamma Delta returns in Spring 2023 semester.
