## **Survey Highlights**

Fall 2016 Five-Year-Out Alumni Survey (Class of 2011)

### Class of 2011

5 years after graduation

Are employed (89%) or attending graduate/professional school (10%)

Completed or enroll in a graduate/professional degree program

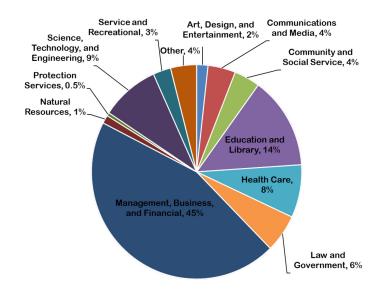

Feel satisfied or very satisfied with their Gettysburg Education.

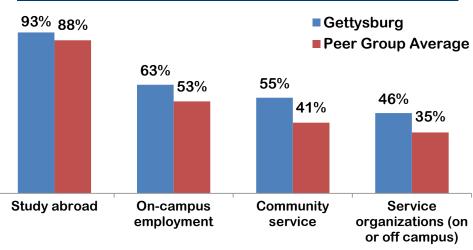

Feel a very strong or some connection to Gettysburg

Four most common career fields of Gettysburg alumni: management, business & financial; education and library; science, technology & engineering; and health care.

Compared with alumni in the peer group\*, Gettysburg alumni reported higher impact of participation in study abroad, oncampus employment, community service, and service organizations on their learning and personal development.

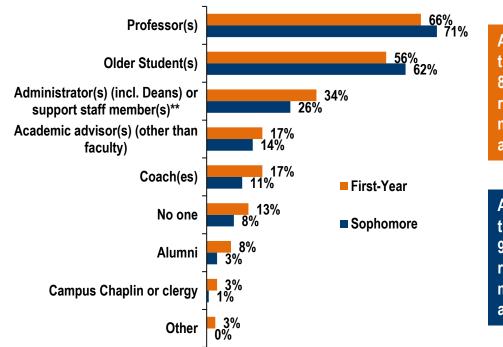

\*Peer Group includes Harvey Mudd, Whittier, Kalamazoo, and Hampden-Sydney Survey Question: To what extent did your experience with each of the following as an undergraduate at this institution contribute to your learning and personal development? Rating Scale: Very little (1)—Some (2)—Quite a bit (3)—Very much (4). Displayed here is the combined % of those reporting "Quite a bit" and "Very much".

Note: Gettysburg response rate: 26% (placement information is based on the combined sample of Gettysburg survey responses and LinkedIn search, with a 83% knowledge rate); Peer Group response rate: 17%.

## **Survey Highlights**
