

*Note.* On Feb. 6, 2025, the Registrar's Office notified Suhua that a student completed the degree requirements and was added to the Dec. 2024 graduate list on that day. Suhua therefore updated this posting on Feb. 6, changing the total from 39 (in the original posting published on Jan. 23) to 40. On Feb. 19, 2025, the Registrar's Office notified Suhua of another backdated Dec. 2024 graduate. Suhua therefore updated this posting again on Feb. 19, changing the total to 41. On Feb. 26, 2025, the Registrar's Office notified Suhua of another backdated Dec. 2024 graduate. Suhua therefore updated this posting again on Feb. 26, changing the total to 42. Because of these changes, the 3-yr average (2020, 2023, 2024) is now 32 (the original average was 31).
