Dear Campus Community,

This Academic Fall 2019 semester, Gettysburg College will continue a number of established policies and initiatives related to student parking and transportation.

- **First-Year students are not permitted to park on campus**
  - To allow sufficient parking space for upper-class students, faculty, staff, and campus visitors
  - To help maintain a strong focus on the College community experience for our first-year students
  - Any requests for an exception must be submitted in writing to the Department of Public Safety. Approved exceptions will be permitted to park in the Stadium Lot-West

- **All College students have free use of the Freedom Transit System for the Gettysburg Area**
  - [www.rabbittransit.org/Schedules/FreedomTransit.aspx](http://www.rabbittransit.org/Schedules/FreedomTransit.aspx)

- **All students parking on campus will be charged a parking fee of $50 per semester**
  - These funds will go towards supporting the Freedom Transit System and towards improvements in parking quality, parking safety, and other campus transportation initiatives
  - Students must register **EVERY YEAR** and obtain a **NEW PERMIT**
  - Commuter Parking Permits will also be available for $20.00. A Commuter must reside outside the Borough of Gettysburg, and will be restricted to parking in the Stone Parking Lot.
  - Student Registration will be available beginning August 1st 2019, by accessing your CNAV account: My Place > Public Safety forms > Vehicle Registration. Fees will be automatically charged to the student account. Permits must be picked up at DPS starting August 26th, between 9am and 5pm
