

DECLARATION OF A MINOR

If you have declared a major, you may also declare a minor concentration in an academic department or area that has an approved minor program. A minor shall consist of six courses; no more than two of which shall be 100-level courses. You must maintain a “C” or 2.0 average in all of the courses taken in that minor field. The minor will appear on your final official transcript. **Please let us know if this minor has previously been declared as a major.**

Submit this form to the Registrar. It must be signed by a representative of the minor area. You will not have a minor adviser unless otherwise instructed by the minor department.
