

Academic Waiver

I authorize the continual release of my academic records with the Panhellenic Council (CPA) and sororities and give approval for my professors to share updates on my academic progress with the sorority in which I am a member at Gettysburg College.

Recruitment

I request that access to academic records maintained under my name within the Registrar's Office and Academic Advising be shared with all organizations' recruitment chairs, the VP Recruitment from CPA and Office of Greek Life during the recruitment period. Students will be considered registered for recruitment every semester they are enrolled thereafter, if they do not receive a bid. A student may withdraw from recruitment at any point in time by completing a withdrawal form in the Office of Student Activities and Greek Life. Upon completion of the form, academic information will no longer be shared with the CPA or sorority representatives. The use of this information will be to determine my eligibility for participation in recruitment and membership in specific sororities, and in determining if appeals to that eligibility should be granted.

Sorority Membership

Upon receipt and acceptance of a bid to a sorority, I request that access to academic records maintained within the Registrar's Office and Academic Advising be shared with the scholarship chair, president, advisors, the national representatives of the sorority to which I accept a bid, and the Office of Student Activities and Greek Life, for the duration of my undergraduate membership. The use of this information will be to determine each semester's academic average for the organization; assess my academic standing and support plan within the chapter; and also to determine eligibility for any scholarships available through the organization. I also request that my professors, the professional staff of the Office of Student Activities and Greek Life and sorority scholarship chair be permitted to discuss updates regarding my current semester's academic progress and my participation in their classes.

I understand that all academic records are maintained in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974. As a result of agreeing to this waiver, I realize that the above named organizations and individuals shall receive verbal disclosure and/or written access to my records as requested.
