Gettysburg College Women’s Center serves as a hub for social justice leadership and activism around women’s and gender issues, providing students with knowledge, experiences, and resources to be informed leaders, advocates, and change-makers on campus and beyond.

The Women’s Center, located in the Women’s and LGBTQIA+ Resource Center in Apple Hall, provides a relaxed, friendly, growth-oriented venue for students to hang out, relax, study, have meetings, or host events. The Women’s and LGBTQIA+ Resource Center is staffed every day of the week during the academic year with student employees (see Office Hours on last page).

**Mission**

The Women’s Center’s mission is to enhance the academic achievement, career aspiration, and personal development of all who identify as women at Gettysburg College. We are committed to creating a safe, equitable, and inclusive learning environment in which all people can be successful regardless of age, race, color, religion, ethnic or national origin, gender, sexual orientation, gender identity, gender expression, or disability. Our goals are to celebrate ALL identities and shed light on issues that impact women, intersectional identities, and oppression that disproportionately impacts women of color.
